

Lincoln Golf Club Seniors

Winter League 2023/24 Overall

This competition will run on 20 Mondays starting on 30 October 2023 and ending on 25 March 2024.
The Winter League comprises 3 distinct competitions:

Winter League A – 30 October 2023 to 15 January 2024

Winter League B – 22 January 2023 to 25 March 2024

Winter League Overall – 30 October 2023 to 25 March 2024

Winter League A and B will be calculated on the best 5 scores out of 10

Winter League Overall will be calculated on the best 10 scores out of 20

For every 2 weeks lost (normally due to bad weather) the number of scores used to calculate the table will reduce by 1.

Prizes are paid out to 1st, 2nd and 3rd places in each competition.

Format

The format is better-ball Stableford played off 85% handicap. Both players will record their better-ball score for that particular week.

We have a system which copes with odd numbers. It is very difficult to articulate in writing but very simple to explain if you are the odd one out. Rather than waste a rain forest trying the explain, please just wait until it happens to you and all will be made clear.

Arrive in the changing room no later than 7.40 (preferably earlier) and be ready to play.

Check in at the desk with your number (this will be allocated to you)

Pay Derek Johnson £1 for the weekly sweep (optional)

At 7.45 sharp, the Captain will draw for partners.

The first 4-ball must get to the tee straight away to make the 8.02 slot.

We appreciate that other (non-Seniors) members may have booked a slot which falls in amongst the slots we have booked. Please just apply an element of common sense and politeness and let them tee off at their allotted time.

On completion of your round, please hand your card to whoever is the checking them in the bar (do NOT put your card in the box under the computer).

Remember – it is a competition so if you do not hit the 12th green, 50p in the Frog please.

Derek Johnson kindly runs an optional £1 sweep each week and winnings are disbursed once the last card has been returned.

One of the essential elements of the Winter League is social. If you can, please stay in the bar until the winnings are handed out. As well as mixing, it gives you the chance to hand out abuse to the winners.
